ROBLOX also provides a currency called Robux that players can use to access items within ROBLOX, such as buying backgrounds and avatars.[36] Players can get 10 ROBUX for free upon signing up, but if they choose to purchase blocks, they need more than 10 ROBUX upon signing up. They must either use their free ROBUX or buy some ROBUX. They can earn more by selling items they create in the ROBLOX catalog, but most often they earn ROBUX by playing the many games on ROBLOX.[37]

The game's worlds are different from most games on Roblox, because they are not based around themes. This makes the game easier to navigate when learning how the world works, and also allows for more creativity in the types of things that can be made. The world is made up of a variety of things; buildings, vehicles, furniture and objects such as weapons and armor. Each item has its own purpose and will function in the way it was intended for.

The company itself has not ever made such uses of VR technology but have given their developers access to the SDK in order to promote VR technology. The company is planning on releasing an SDK for Sony's Project Morpheus and Oculus Rift at some point in the future, although no dates have been officially announced. However, ROBLOX has been criticized due to their unusual (less than the minimum) end user license agreement. Roblox has released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.

Roblox offers a tremendous amount of games and features which, once you have played, can easily be overwhelming. If this is the case for you, keep it simple when creating your own roblox games. Choose a theme that is highly in demand right now or create something compatible with the standard ones. A simple game project can be as easy as tapping and holding three fingers on the screen to throw balls of fire at your opponents's faces. Do not worry if no one plays your game, since this will happen when the topic becomes old news among other players.
